Sub: Community Projects - South Kanara - II and III Blocks - Commencement of work - Movement of staff - Office accommodation - Proposals - Submitted.

****

In Government Memorandum No. 5690 Pub.(C.P.II)/53-1 dated 26-3-1953, it was ordered that work in the remaining development blocks should be commenced immediately. It is therefore proposed to move the staff to the IInd and IIIrd blocks and the arrangement contemplated was intimated to Government in this Office Ref.C.No.1119/53-I dated 17-4-1953. The headquarters of one Assistant Project Officer, one Senior Supervisor, two Junior Supervisors and one Senior Inspector of Cooperative Societies will be at Karkal which is the Project Headquarters. Office accommodation is necessary for these officers. There is a building belonging to the Bunt alias Nadavara Sangha, South Kanara, at Karkal. The building is spacious enough and is quite suitable for the purpose. The Sangha is willing to make it available on a rental of Rs. 60/- per month. The rent proposed is reasonable, and it is not possible to get any other suitable building for a lesser rent. No public buildings are also available at Karkal. I have requested the Rent Controller, Coondapur Division, to fix a fair rent for the building. The certificate to be issued by him will be submitted to Government as soon as it is received. But as the staff has to move to Karkal, and work has to be started in the remaining blocks ~~forthwith~~, I request that necessary sanction may kindly be accorded to take up the building on a monthly rental of Rs. 60/- or the fair rent to be fixed by the Rent Controller, whichever is less~~e~~.

Please see the letter of the P.E.O. Mangalore cited. The P.E.O. requests sanction to fix a building on a monthly rental of Rs 60/- to accommodate the offices of one Assistant Project officer, one Supervisor, two Junior Supervisors and one Senior Inspector of Co-operative Societies at Karkal which is the Project Head quarters. The P.E.O. promises that he would get the fair rent fixed by the Rent Controller and send his certificate. The non availability of ~~the~~ public buildings for locating the office of the A.P.O. and the reasonableness of ~~the~~ rent for the building selected should have been certified by the A.W.D. This may be pointed out to the P.E.O. and he may be asked to obtain and send the certificate of the E.E. P.W.D.

2/. Recently in another connection the P.E.O. had sent up proposals for the selection of a separate building for the A.P.O. office and his residence and he has been permitted to select a separate building for the purpose. 2/5 The P.E.O. may be permitted to take over the building at Karkal subject to the condition that public buildings are not available. Rent may be sanctioned later on receipt of certificates from the E.E. & the
